# End User License Agreement
# MAHNOB HCI-Tagging Database
(http://mahnob-db.eu/hci-tagging)

By signing this document the user, he or she who will make use of the database or the database interface, agrees to the following terms.

With database, we denote both the actual data as well as the interface to the database.

## 1. Commercial use
The user may not use the database for any non-academic purpose. Non-academic purposes include, but are not limited to:
- proving the efficiency of commercial systems
- training or testing of commercial systems
- using screenshots of subjects from the dataset in advertisements
- selling data from the dataset
- creating military applications
- developing governmental systems used in public spaces

## 2. Responsibility
This document must be signed by a person with a permanent position at an academic institute (the signee). Up to five other researchers affiliated with the same institute for whom the signee is responsible may be named at the end of this document which will allow them to work with this dataset.

## 3. Distribution
The user may not distribute the database or portions thereof in any way, with the exception of using small portions of data for the exclusive purpose of clarifying academic publications or presentations. **Only data from subjects who gave consent to have their data used in publications and presentations may be used for this purpose.** Note that publications will have to comply with the terms stated in article 5.

## 4. Access
The user may only use the database after this End User License Agreement (EULA) has been signed and returned to the iBUG Group at Imperial College London. The signed EULA should be returned in digital format by uploading it to the website when requesting an account at:

http://mahnob-db.eu/hci-tagging/accounts/register/

Only if the user is not capable of requesting an account in this manner, accounts may be requested by sending the signed EULA via traditional mail to:

Prof. Maja Pantic
Imperial College London
Department of Computing
180 Queen's Gate
London SW7 2A
U.K.

The user may not grant anyone access to the database by giving out their user name and password.

## 5. Publications
Publications include not only papers, but also presentations for conferences or educational purposes.

**The user may only use data of subjects in publications if that particular subject has explicitly granted permission for this. This is specified with every database element.**

All documents and papers that report on research that use any of the MAHNOB HCI-Tagging Database will acknowledge this as follows:

"(Portions of) the research in this paper uses the MAHNOB Database collected by Professor

Pantic and the iBUG group at Imperial College London, and in part collected in collaboration

with Prof. Pun and his team of University of Geneva, in the scope of  MAHNOB project

financially supported by the European Research Council under the European Community's 7th

Framework Programme (FP7/2007-2013) / ERC Starting Grant agreement No. 203143".

Additionally, the following paper has to be cited:

M. Soleymani, J. Lichtenauer, T. Pun and M. Pantic, "A Multi-Modal Affective Database for

Affect Recognition and Implicit Tagging", IEEE Transactions on Affective Computing, Special

Issue: Naturalistic Affect Resources, 2011.

The user will send a copy of any document or papers that reports on research that uses the MAHNOB HCI-Tagging Database to Dr. Maja Pantic or to <laughter_db@mahnob-db.eu>.

## 6. Academic research
The user may only use the database for academic research.

## 7. Warranty
The database comes without any warranty. The iBUG Group at Imperial College London can not be held accountable for any damage (physical, financial or otherwise) caused by the use of the database. The iBUG Group at Imperial College London will try to prevent any damage by keeping the database virus free.

## 8. Misuse
If at any point, the administrators of MAHNOB HCI-Tagging database and/or iBUG Group at Imperial College have a reasonable doubt that the user does not act in accordance to this EULA, he/she will be notified of this and will immediately be declined the access to the database.
